

Fear Free Pre-Visit Questionnaire

1. When my pet goes to the veterinarian, he/she's:
 - Eager and excited
 - Subdued
 - Reluctant
 - Terrified
2. At the Veterinary Hospital, my pet doesn't like:
 - Getting weighed
 - Getting on the exam table
 - Having his/her temperature taken
 - Being handled by veterinary staff
3. My pet prefers
 - Female veterinary professionals
 - Male veterinary professionals
 - Anyone who sweet talks and gives treats!
4. What types of treats and toys does your pet love more than anything else?

5. Are there any food sensitivities or other reasons we should not give treats while at the hospital?

6. Has your pet been prescribed any medications in the past during a veterinary visit? This includes any anti-anxiety or anti-nausea medications. What medications are they, and how does he/she respond to them?

7. In the car, does your pet:

- Ride in a carrier
- Wear a pet seatbelt
- Ride Loose

8. Does your pet:

- Enjoy getting into the carrier
- Or is it a struggle to get him/her inside it?

9. During the car ride, does your pet do any of the following?

- Whine
- Bark
- Pant
- Pace
- Drool
- Tremble
- Vomit
- Pee or poop inside the carrier

10. Does your pet dislike having the following examined?

- Paws
- Mouth
- Ears
- Other _____
